and lead us back to your eternal wisdom.  
Grant us the courage to care for all neighbors,  
no matter the cost to us.  
Grant us the strength to love particular neighbors,

Grant us the hope that Christ came to reveal,  
so that our lives would not revolve around us.

Worship Notes

NURSERY

Childcare is available for infants through 4K. Our nurturing staff of experienced caregivers and parent volunteers offers a welcoming environment for children. The Nursery is located on the mezzanine level. The entrance is at Westminster Drive, at the columbarium or near the Westminster Weekday School offices.

WORSHIP BAGS

Each Sunday we offer worship bags in the atrium for children. The worship bags are designed to include reusable items that engage children in open ended play during worship. While children attend worship with their families, they can participate in worship and play to make foundational layers of meaning for faith. Please return the zipper bag and its contents each Sunday. This shift to reusable items demonstrates how we value hospitality and care for creation.

CONNECT WITH WESTMINSTER

Looking for ways to be involved? Please complete a Connection Card from the Ritual of Friendship pad and place it in the offering plate to express interest or sign up for an opportunity.

WELCOME TO WPC!

Please fill out a name tag and find more information about WPC at the Welcome Table in the Atrium. First time visitors are also invited to take home a WPC mug.

FIRST STEPS IN MUSIC

Music is an important way to communicate with young children even before they are able to sing along. First Steps in Music is an opportunity at Westminster that provides important time for parents or grandparents to enjoy music with their child/grandchild. Led by WPC member Diana Dailey, the First Steps classes teach simple songs, games, and prayers for 2- and 3-year olds and adults to experience together. The next class will be offered from 4:30 – 5:00 p.m. on Sundays, February 5-March 12. For more information, contact Interim Music Director Rosemary Hughes or contact the church office.

VOLUME LXXV | February 5, 2023 | No. 41

From the Pews, Bryan Atkins

2 Corinthians 13:11-13

As a child growing up in the country, I have always had love, faith, and God in my life. These teachings were instilled in me by my wonderful family. I'm not going to say I always loved going to church as a child, as my parents can testify. They might have even had to bribe me at times, but hey, the doughnuts after service on Sundays really did help.

As a young child I had a favorite toy that I loved. I wouldn't go anywhere without my favorite stuffed monkey animal, "Curious George." It was so bad that when I misplaced George, my parents would have plenty of backups on hand and mysteriously always find him when hours of crying and searching seemed to fail.

The point is - I loved George. It might not be the kind of love I have today as a man, but that love is still there. In part, the 2 Corinthians 13:11-13 passage resonated with me as meaning that true love never fades away, and we should grow up with our love for serving Christ.

I have grown into the man I am today from the love of God and the Holy Spirit. Love has evolved into a deeper connection that I share with God and is never lost. Love has no limits and bounds. We are truly here to feel this love and experience the ups and downs with one another. Love truly resonates within us all as one of the greatest gifts from God. As we grow older, the money, the cars, and all material possessions eventually fade away, but love is here to stay.

Growing up and maturing to serve God is our life mission whether it may be helping those less fortunate than ourselves, simply holding the door for someone, or maybe expressing kindness to someone when it may be so easy for us to express anger instead. God expects us to grow up and mature in serving Him with our love as we have our time here on earth to ready ourselves to spend eternity with Him. True love can never be denied or mistaken as something we can feel from the Holy Spirit. With open hearts and open minds, we can all show "Jesus's kind of love" for one another every day.

As I sit before God today, I truly love being a part of Westminster Church. Let's all show mature love for one another and help ourselves get ready to spend eternal life with Him in heaven. Let's all help God spread his greatest gift to others. In the meantime, if anyone out there does happen to find my Curious George again just tell him, "I love him." Cheers.

Religion & Racial Justice: What role can religion play in racial justice?

Claire Gilliland – Room 212

Join us for a 4 week discussion on how religious beliefs and organizations can contribute to racial justice. Across our sessions, we will explore the Biblical motivations for pursuing racial justice, the empirical reality of racial inequality in the U.S., and the ways religious groups both positively and negatively contribute to racial justice in both their words and their actions. Designed to be an interactive course with both lecture and discussions, we will approach these big questions with a sense of curiosity and care.

Claire Gilliland is a Sociology professor at Furman University, where she researches how religious organizations both fight against inequality and sometimes make it worse. She completed her PhD from UNC-Chapel Hill in May 2021, and her dissertation focused on how clergy talk about social issues from the pulpit. She grew up Presbyterian and joined Westminster in 2021 with her husband. At WPC, she serves as a youth group advisor, on the Creation Stewardship Committee, and on the Heritage Lecture Committee.

Joy in Chains:  
A Chapter-by-Chapter Study of Paul's Letter to the Philippians  
Leigh Stuckey – Room 209

Press on toward the goal! Rejoice in the Lord always! Do not be anxious! Count all gains as loss! Accomplish all things through Christ! Paul’s letter to the church in Philippi has been extracted for short bursts of biblical wisdom, but its richness lies in a developed understanding of its context, content, and core proclamation. Join us for this four week study of Philippians, one of Paul’s most theologically rich letters written while he was a guest of the Roman magistrates and (literally) in chains. The letter is a thoroughgoing defense of Christian unity and is suffused with joy despite Paul’s situation. It tells us not only who Christ is, but who we are called to be in light of that revelation. This course will attend to the letter chapter-by-chapter in brief lectures.
