**NURSERY**

Childcare is available for infants through 4K. Our nurturing staff of experienced caregivers and parent volunteers offers a welcoming environment for children. The Nursery is located on the mezzanine level. The entrance is at Westminster Drive, at the columbarium or near the Westminster Weekday School offices.

**WORSHIP BAGS**

Each Sunday we offer worship bags in the atrium for children. The worship bags are designed to include reusable items that engage children in open ended play during worship. While children attend worship with their families, they can participate in worship and play to make foundational layers of meaning for faith. Please return the zipper bag and its contents each Sunday. This shift to reusable items demonstrates how we value hospitality and care for creation.

VOLUME LXXV | April 16, 2023 | No. 51

***From the Pews, Parks Workman***

I have a morning ritual of waking up incredibly early. I walk in zombie-like fashion to the kitchen and prepare a cup of coffee. I slog up to our attic space. I light a candle and I enjoy the calm before the storm of the day. Sometimes God blesses me with the soothing sound of rain pattering on the roof. This is my time with Jesus.

Although my thoughts typically drift into the issues of the day and what I might have to deal with at work or at home, for a brief moment I can sometimes find peace and wholeness. Inevitably, the moment will end, I will pry myself up out of the chair, and I will begin the other morning rituals—showering, eating breakfast, catching up on my emails, and heading off for another day. The peace seems to fade.

As we bask in the glory of the resurrection, I note that Jesus' first words after appearing to his disciples in John's Gospel were "Peace be with you!" This may be a traditional Jewish greeting, but here it is much more profound. Jesus' presence is peace with you.

Of course, it may be easier for peace to find you in a quiet room, away from the noise of the world. Indeed, searching for peace in the noise of the world is difficult as exemplified by Thomas. Thomas did not have the blessing of being with Jesus when Jesus appeared to his disciples in that locked room. The doubts of the world crept in and led to his natural skepticism. Reassuringly, Thomas did eventually see the signs and found "My lord and my God!"

As a reflection, it may be easier to find peace alone, early in the morning, with a cup of coffee, in a quiet room, with rain pattering on the roof. But Jesus does not intend for us to lock ourselves away from the world. Indeed, Jesus said, "Peace be with you! As the Father has sent me, I am sending you." We need to bring Jesus with us outside the confines of our homes and out into the world—whether it be through forgiveness; caring for the sick, alone, poor, those in prison; sharing the Good News; bringing calm to a turbulent situation; or just catching up with a friend.

While I highly recommend spending quiet time alone with Jesus, let us break out of our comfort zones and bring that peace with us into the world. The same power that allowed Jesus to conquer death can bring peace – ever so incrementally – to our daily challenges. The peace does not have to fade as we leave the quiet room.

#### **Joy in Chains:**

#### **A Chapter-by-Chapter Study of Paul's Letter to the Philippians**

**Leigh Stuckey** – Room 209

Press on toward the goal! Rejoice in the Lord always! Do not be anxious! Count all gains as loss! Accomplish all things through Christ! Paul's letter to the church in Philippi has been extracted for short bursts of biblical wisdom, but its richness lies in a developed understanding of its context, content, and core proclamation. Join us for this four week study of Philippians, one of Paul's most theologically rich letters written while he was a guest of the Roman magistrates and (literally) in chains. The letter is a thoroughgoing defense of Christian unity and is suffused with joy despite Paul's situation. It tells us not only who Christ is, but who we are called to be in light of that revelation. This course will attend to the letter chapter-by-chapter in brief lectures.

#### **Global Warming, Climate Change, and Potential Christian Responses**

**John MacCarthy** - Room 212

What is the difference between global warming and climate change? Is global warming real? If so, what is causing it? What human activities contribute to it? What are the climate, environmental, and human impacts of global warming (in the U.S. and the world)? Who will be most affected by global warming and climate change? What can we do to mitigate global warming and its impacts? What are our responsibilities as Christians? This course will seek to answer these and other questions. The course will be based on the 2021 International Panel on Climate Change (IPCC) Sixth Assessment Report and related college courses taught by Dr. MacCarthy.
