

Fourth Sunday in Lent

Preparation for Worship

“Those who believe all things and hope all things for the sake of love, for the sake of encouraging and helping others must suffer and endure...For this suffering and endurance make love greater and greater and more and more irresistible...Who is this love if not the one who bore all things, believed all things, hoped all things, and even had to endure all things all the way to the cross?”

Dietrich Bonhoeffer

Gathering and Preparing for **God's Word**

Welcome and Announcements

Leader: The grace of our Lord Jesus Christ be with you.
People: And also with you.

Prelude *Prelude and Fugue in A Minor* Bach

* Call to Worship 1 John 4:7,10,12

Leader: Beloved, let us love one another, because love is from God.
People: Everyone who loves is born of God and knows God.
 Leader: In this is love,

not that we loved God but that God loved us and sent his Son to be the atoning sacrifice for our sins.

People: If we love one another, God lives in us, and God's love is perfected in us.

All: Let us worship God!

* Hymn 826 "Lift High the Cross" CRUCIFER

* Prayer of Confession

Holy God, forgive us for taking the easy way out.

We have failed to be an obedient church.

We have not done your will, we have broken your law, we have rebelled against your love.

We have witnessed the evils of the world but stayed silent and on the sideline.

Shower us with your compassion, and transform us by your grace.

Grant us hands that heal, hearts that are selfless,

and souls that are willing to suffer for our neighbor's sake.

We ask it in the name of the One who followed you

all the way to the cross, Jesus Christ, our Savior and Lord.

Amen.

* Hymn 578 *Kyrie eleison* ORÉ PORIAJÚ VEREKÓ

Kyrie eleison, Christe eleison, Kyrie eleison, Christe eleison.

* Assurance of Pardon

Leader: Friends, believe the good news of the gospel.

People: In Jesus Christ, we are forgiven.

* Gloria Patri, Hymn 581 GLORIA PATRI

Glory be to the Father, and to the Son, and to the Holy Ghost; as it was in the beginning, is now, and ever shall be, world without end. Amen, Amen.

Hearing **God's Word**

Prayer for Illumination

First Scripture Lesson, *Matthew 19:16-22* p. 800

Second Scripture Lesson, *Matthew 7:13-14* p. 788

Sermon "Two Roads"

Responding to **God's Word**

* Affirmation of Faith *The Apostles' Creed*

I believe in God the Father Almighty, Maker of heaven and earth, and in Jesus Christ his only Son, our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; he descended into hell; the third day he rose again from the dead; he ascended into heaven, and sitteth on the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.

I believe in the Holy Ghost; the holy catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.

Prayers of Thanksgiving and Intercession

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts as we forgive our debtors; and lead us not into temptation, but deliver us from evil.

For thine is the kingdom, and the power, and the glory, forever. Amen.

WORSHIP NOTES

NURSERY

Childcare is available for infants through 4K. Our nurturing staff of experienced caregivers and parent volunteers offers a welcoming environment for children. The Nursery is located on the mezzanine level. The entrance is at Westminster Drive, at the columbarium or near the Westminster Weekday School offices. The Family Lounge, located down the stairs from the front office and straight down the hallway on the right, is available for any child caregiver and includes worship livestream, comfortable seating, and a changing table.

WORSHIP BAGS

Each Sunday we offer worship bags in the Atrium for children. The worship bags are designed to include reusable items that engage children in open ended play during worship. While children attend worship with their families, they can participate in worship and play to make meaning in faith. Please return the zipper bag and its contents each Sunday.

WELCOME TO WPC!

Please fill out a name tag and find more information about WPC at the Welcome Table in the Atrium. First time visitors are also invited to take home a WPC mug.

CONNECT WITH WESTMINSTER

VOLUME LXXVIII | March 15, 2026 | No. 50

From the Pews, Blake Hoffman

In our modern, technology-driven world, confirmation bias is ever present. An algorithm is generating the output of content based on our preferences. It is a thrill to begin a new playlist and know that we will like the curated music. It is affirming that our media feeds have been selected for our unique point of view. How wonderful it is to have a widget reassure us of our tastes, and fortify our opinions. For surely, we are on the path to the narrow gate!

In considering this curated life, I cannot help but hear Matthew's warning to us in Chapter Seven's verses 13-14. This is the easy road to the wide gate. The comfort of scrolling within our self-selected crowd is the path of least resistance.

In contrast, choosing the narrow gate can feel isolating because it requires intention. What would our lives look like if we intentionally altered our digital and metaphorical algorithms? At first, there may be discomfort with the content. We may be forced to consider alternate points of view. We may even have to admit that we are wrong. For the hard road is not about perfection, but about direction. How can love and support for one another alter the content we consume and share?

In 1961, Harper Lee published an essay in Vogue entitled "Love-In Other Words." Lee closed her essay with these words:

Love purifies. Suffering never purified anybody; suffering merely intensifies the self-directed drives within us. Any act of love, however—no matter how small—lessens anxiety's grip, gives us a taste of tomorrow, and eases the yoke of our fears. Love, unlike virtue, is not its own reward. The reward of love is peace of mind, and peace of mind is the end of man's desiring.

Let us be mindful to reset our algorithms with inputs of forgiveness, love, and empathy. For what we put in is what we get in return. Let us reset for the sake of others. And, importantly, let us reset for the sake of ourselves.

The Campaign Feasibility Committee: Frequently Asked Questions

As Westminster explores the possibility of a capital campaign, many insightful questions have emerged from members. This FAQ gathers those questions and provides clear, concise answers to help the congregation understand the purpose, priorities, and impact of the proposed projects.

Q: If approved, what would a capital campaign fund?

A: We are exploring the following major priorities:

- Expansion of the Westminster Weekday School (“WWS”)
- Office relocation and improvements
- Facility refreshes in key gathering and hospitality areas
- Construction of a chapel for smaller worship services and spiritual formation
- A 10% tithe to a designated Witness & Service partner (or partners)

Q: When was our last capital campaign?

A: “A Place for Everyone” was conducted in 2007, 19 years ago, and raised \$5.6M to support the expansion of our Sanctuary.

Q: Has the Session approved a capital campaign?

A: No. The Session has approved the formation of a Campaign Feasibility Committee and the completion of a feasibility study to determine *if* a campaign is feasible and, if so, which of the above priorities would be included. We are working with Armstrong McGuire to conduct conversations and solicit surveys to determine the interest of the congregation in a campaign and the specific projects proposed. Armstrong McGuire will present a report to the Campaign Feasibility Committee that will include a recommended capital campaign goal and a summary of the priorities that the congregation believes are most important. In May 2026, the committee will make a recommendation to the Session based on the report from Armstrong McGuire.

Q: What if we cannot raise the full amount – currently estimated at \$13M?

A: This amount reflects the combined cost of the suggested projects and *is not yet a campaign goal*. The feasibility study will help our partners at Armstrong McGuire determine our capacity as a congregation to engage in a capital campaign. Should a campaign be considered feasible, they will work with us to recommend a viable goal and a campaign that aligns with the priorities of the congregation. The final goal and scope of the campaign will be officially set by the Session and may not include every item on the proposed project list.

Q: How will the 10% mission tithe be used?

A: Westminster has a tradition of tithing 10% of overall campaign costs to support transformational Witness & Service projects, and we intend to do so if the way is clear for a capital campaign in 2026. The tithe will support outreach efforts beyond WPC’s existing annual commitments. The Witness & Service Committee will make a recommendation to the Session regarding the investment of the 10% tithe. Ultimately, the Session will approve both the tithe partner(s) and project(s).

Q: Will WPC take on debt to complete the project?

A: Westminster does not currently hold debt. Whether Westminster takes on debt in a campaign like this depends on final costs associated with a campaign and the amount pledged from the congregation. It is not the desire of Westminster’s Session to take on significant debt.

Q: Is WPC financially stable enough to take on a capital campaign?

A: Yes. WPC maintains a strong financial position, healthy reserves, and a history of successful stewardship in past campaigns. The current endowment is \$1.45M. At present, funds from the endowment are not used for facilities or for maintenance of our campus.

Q: How do the proposed projects respond to WPC’s changing demographics?

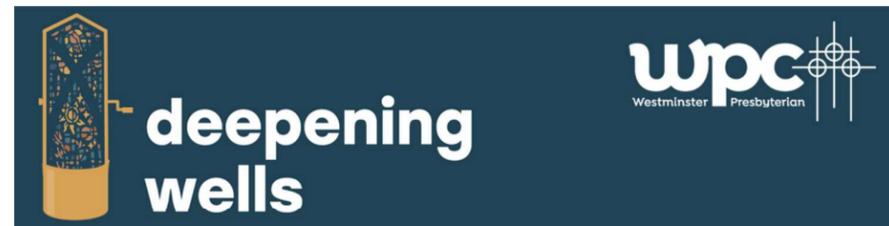

A: The church has experienced significant growth across all age demographics, particularly among young families. The proposed facilities address this shift by expanding program capacity and improving ministry spaces.

Q: If approved, how long will the campaign last?

A: The campaign will include a preparation phase, a leadership gifts phase, a congregational phase, and a concluding celebration. We won’t know the duration of the campaign until the feasibility stage is complete and the Session has determined the scope for the proposed campaign. During the feasibility stage we are asking families about their preference between a three- and five-year campaign pledge period.

Q: Will the annual stewardship campaign continue during the capital campaign?

A: Yes. Pledges and annual giving support our ongoing ministry and operations and will remain essential during a campaign. Gifts to the capital campaign are above and beyond annual pledging.

A: Yes. Pledges and annual giving support our ongoing ministry and operations and will remain essential during a campaign. Gifts to the capital campaign are above and beyond annual pledging.

The Chapel – Purpose, Use, and Design

Q: How often will the chapel be used?

A: The chapel will be used for intimate services, including small weddings and funerals. It will also be used by other ministries in the church, such as WPCYG, WPC Kids, WWS and other groups.

Q: What will the chapel look and feel like?

A: Because we are early in the feasibility study, the interior look and feel has not yet been determined. If the way is clear for a campaign, renderings will be developed and shared with the congregation.

Q: What is the proposed seating capacity of the chapel and location?

A: The current plan anticipates the capacity of a chapel at 150-200 seats. If selected as a priority for the campaign, the chapel would be located adjacent to the Fellowship Hall. Construction would cut into a small portion of both the interior and exterior of the Fellowship Hall and between seven and eight parking spaces from adjacent lots would be affected.

The Expansion of the Westminster Weekday School (“WWS”)

Q: How many additional students will the expanded Weekday School serve?

A: The proposed expansion would add 64 new spaces (seven new classes), helping reduce the current waitlist of over 600 children.

Q: How many WWS families are also church members?

A: Roughly 40% of WWS families are Westminster members.

Q: Will WWS extend its hours or increase staffing?

A: WWS will not modify its operational hours. Given the anticipated enrollment growth based on the expansion of the school, we do anticipate adding WWS staff. The Campaign Feasibility Committee is focused on gathering and communicating feedback, but it does not oversee the daily operations of the Weekday School. Any questions regarding operational matters can be shared with the WWS Committee.

Q: What would happen to WWS during construction?

A: WWS classes on the Mezzanine level will relocate during construction. WWS will continue operations without interruption. The project involves reconstructing the Mezzanine, building an additional level on top of it, and renovating the fourth floor to serve as new classroom space.

Q: Is WWS financially self-sustaining?

A: Yes. The school operates with a surplus and its financial positions are strong. The school does not pay rent to the church.

Q: Is WWS a separate 501(c)3 or a part of Westminster?

A: The Weekday School is a vital ministry of the church. It is not a separate 501(c)3.

Facilities, Parking, and Space Utilization

Q: Will this project impact parking?

A: This proposed campaign will not address additional parking needs. If a chapel is added, it would require the loss of seven-to-eight parking spaces.

Q: Could reconfiguring current spaces meet the church’s needs without building new space?

A: During due diligence, a facility use assessment revealed that most areas within the church are regularly occupied by various ministries and community events. Present evaluations indicate that significant ministries – such as WWS, WPCYG, It’s Elementary, and daily staff operations – either lack adequate space or operate in outdated facilities. Simply reconfiguring existing spaces will not address the church’s long-term growth projections.

Visuals, Renderings, and Project Details

Q: When will architectural drawings be available?

A: Drawings and renderings will be shared once the architects complete the next phase of design. That process will start once we know we have support for the projects.

Q: How will the offices be reconfigured?

A: Offices would be consolidated and moved to create a collaborative workflow near the current W. Augusta Place entrance (presently the “main office”). The Children’s Church room and Family Lounge would be relocated to a space adjacent to the Atrium, creating both accessibility and proximity to the Sanctuary.

Q: What specific spaces will be refreshed or renovated?

A: Updates are planned for the Youth Suite, the Friendship Court, restrooms, offices, and gathering spaces. These spaces were frequently described as outdated or not reflective of WPC’s warmth or hospitality.

The Chapel – Purpose, Use, and Design

Q: How often will the chapel be used?

A: The chapel will be used for intimate services, including small weddings and funerals. It will also be used by other ministries in the church, such as WPCYG, WPC Kids, WWS and other groups.

Q: What will the chapel look and feel like?

A: Because we are early in the feasibility study, the interior look and feel has not yet been determined. If the way is clear for a campaign, renderings will be developed and shared with the congregation.

Q: How many additional students will the expanded Weekday School serve?

A: The proposed expansion would add 64 new spaces (seven new classes), helping reduce the current waitlist of over 600 children.

Q: How many WWS families are also church members?

A: Roughly 40% of WWS families are Westminster members.

Q: Will WWS extend its hours or increase staffing?

A: WWS will not modify its operational hours. Given the anticipated enrollment growth based on the expansion of the school, we do anticipate adding WWS staff. The Campaign Feasibility Committee is focused on gathering and communicating feedback, but it does not oversee the daily operations of the Weekday School. Any questions regarding operational matters can be shared with the WWS Committee.

Q: What would happen to WWS during construction?

A: WWS classes on the Mezzanine level will relocate during construction. WWS will continue operations without interruption. The project involves reconstructing the Mezzanine, building an additional level on top of it, and renovating the fourth floor to serve as new classroom space.

Q: Is WWS financially self-sustaining?

A: Yes. The school operates with a surplus and its financial positions are strong. The school does not pay rent to the church.

Q: Is WWS a separate 501(c)3 or a part of Westminster?

A: The Weekday School is a vital ministry of the church. It is not a separate 501(c)3.

Facilities, Parking, and Space Utilization

Q: Will this project impact parking?

A: This proposed campaign will not address additional parking needs. If a chapel is added, it would require the loss of seven-to-eight parking spaces.

Q: Could reconfiguring current spaces meet the church’s needs without building new space?

A: During due diligence, a facility use assessment revealed that most areas within the church are regularly occupied by various ministries and community events. Present evaluations indicate that significant ministries – such as WWS, WPCYG, It’s Elementary, and daily staff operations – either lack adequate space or operate in outdated facilities. Simply reconfiguring existing spaces will not address the church’s long-term growth projections.

Visuals, Renderings, and Project Details

Q: When will architectural drawings be available?

A: Drawings and renderings will be shared once the architects complete the next phase of design. That process will start once we know we have support for the projects.

Q: How will the offices be reconfigured?

A: Offices would be consolidated and moved to create a collaborative workflow near the current W. Augusta Place entrance (presently the “main office”). The Children’s Church room and Family Lounge would be relocated to a space adjacent to the Atrium, creating both accessibility and proximity to the Sanctuary.

Q: What specific spaces will be refreshed or renovated?

A: Updates are planned for the Youth Suite, the Friendship Court, restrooms, offices, and gathering spaces. These spaces were frequently described as outdated or not reflective of WPC’s warmth or hospitality.

The Chapel – Purpose, Use, and Design

Q: How often will the chapel be used?

A: The chapel will be used for intimate services, including small weddings and funerals. It will also be used by other ministries in the church, such as WPCYG, WPC Kids, WWS and other groups.

Q: What will the chapel look and feel like?

A: Because we are early in the feasibility study, the interior look and feel has not yet been determined. If the way is clear for a campaign, renderings will be developed and shared with the congregation.

Q: What is the proposed seating capacity of the chapel and location?

A: The current plan anticipates the capacity of a chapel at 150-200 seats. If selected as a priority for the campaign, the chapel would be located adjacent to the Fellowship Hall. Construction would cut into a small portion of both the interior and exterior of the Fellowship Hall and between seven and eight parking spaces from adjacent lots would be affected.

The Expansion of the Westminster Weekday School (“WWS”)
